**Re: Docket Nos. 17-0977 and 20-0149 – Delmarva Power & Light
Company's Withdrawal of its Motion to Modify Excess Deferred
Income Taxes Balances in the Docket No. 17-0977 Settlement
Agreement to Allow for Actual Tax Savings**

Dear Secretary Nickerson:

Please accept this letter as Delmarva Power & Light Company's (the "Company") notice to withdraw the above-referenced Motion, and request to have it removed from the Public Service Commission's ("PSC") agenda for its October 27, 2021 meeting.

While this Motion was pending, the Company, Delaware Energy Users Group ("DEUG"), PSC Staff ("Staff"), and the Division of Public Advocate ("DPA") engaged in discussions regarding the Company's Motion and the circumstances under which it arose. The Company has heard Staff and DPA's concerns and has taken them under consideration. After much reflection, the Company has determined that it is in the best interests of all parties to withdraw the Motion and looks forward to future collaboration to reach proactive resolution of such matters.

For the reasons set forth herein, the Company hereby withdraws its Motion and respectfully requests the Motion be removed from the PSC agenda for its October 27, 2021 meeting. Should you have any questions, please do not hesitate to contact me at dawn.crompton@exeloncorp.com or Diane Goff at diane.goff@pepcoholdings.com.

Respectfully submitted,

Dawn Kurtz Crompton (DE Bar Id #5579)
